2 eggs

1/3 cup vegetable oil

1. Heat oven to 350 degrees F.
2. Add all ingredients to a medium sized bowl.
3. Using a spoon, mix ingredients together until dough forms and is well mixed.
4. Grease a cookie sheet and roll into 1 inch round balls.
5. *Add some confectioner's sugar to a small bowl and roll the top of the cookie in the sugar.
6. Bake for 7-9 minutes. Remove cookies from oven before they turn golden brown.
7. Remove from oven and let cookies cool completely.

*If you want to add a Lemon Sugar Glaze to the cookies instead of rolling them in confectioner's sugar, simply omit step 5 above. When the cookies have cooled completely, glaze them with the recipe below.

Lemon Sugar Glaze

1 cup powdered sugar

1 tsp lemon juice

water

Directions:

Add lemon juice and water to a bowl and mix together. Slowly add water to mixture while stirring. When you get a nice consistency for a thick glaze stop adding water. If you add too much water, simply add a little more confectioner's sugar. Drizzle each cookie with the lemon sugar glaze.
