

## **Silly Putty**

4 oz Elmer's Glue All

2 oz Sta-Flo Liquid Starch (in laundry aisle)

food coloring

### Directions:

1. The basic silly putty recipe is 2 parts glue and 1 part liquid starch.
2. We started with 4 oz of glue and pink food coloring.
3. Then we added 2 oz of the liquid starch.
4. We mixed it together with a wooden spoon.
5. Once it thickened we then kneaded it for 5 minutes
6. Store in an air-tight container. It should last for a few weeks if stored properly.
