

**Inside this special package is a treat  
but not for you!  
It contains magical reindeer food  
and here is what you do.  
Sprinkle this magical reindeer food  
carefully on the ground.  
And tonight if you are lucky  
Santa's reindeer will come around.  
But here's a secret I have to tell,  
one you must try to keep.  
That Santa's reindeer only come  
when you are fast asleep.  
So quickly put your jammies on  
and get a story read,  
Then sprinkle this magic treat outside  
and hurry off to bed!**
