

*Our stockings hang upon a wall.
We have no fireplace at all!
You see the problem is quite clear.
Santa, how will you get in here?*

*We heard a legend. Is it true?
Of magic only you can do.
We'll leave out any plain old key,
and mark it "Santa" so you can see.*

*Your magic makes the key fit right,
so you can get inside that night.
Thank you Santa, here's our key.
The milk and cookies are on me!*
