

Olaf Finger Puppet Pattern

theidearoom.net

Materials needed:

white felt
black felt
brown felt
orange felt
2 google eyes
3 black mini pom poms (optional)
Hot Glue Gun
Black Sharpie Fine

For complete directions on how I assembled Olaf as a finger puppet visit theidearoom.net or search "Olaf finger puppet The Idea Room" to find the tutorial.

****As always this pattern is for personal use only. Please do not make copies and share them with your friends and family. Send them to my site to get their own. This is how I am able to keep them free. Please help keep them that way. Do not make these to sell or repost on your own sites. I do appreciate links back. Thank you!**
