

Bubbling Bath Salts

theidearoom.net

3 cups Epsom Salts

1/2 cup Rock Salt

1/3 cup of your favorite Body Wash

1. Mix all ingredients together and combine well in a large bowl.
2. Transfer into a clean, air-tight container.
3. Add a small scoop or two to your running bathwater by placing the salts under the running water, to activate the bubbles.
4. May last up to 3 months if kept in a clean, air-tight container. Do not scoop with dirty hands or fingers.
