

this little hand can wave hello,
or put dirty smudges on your wall
it can touch your face or throw a kiss
or clasp your hand so i don't fall
this hand helps you bake a cake
but most of all, this hand will stay
when I am grown and gone away

this little hand can wave hello,
or put dirty smudges on your wall
it can touch your face or throw a kiss
or clasp your hand so i don't fall
this hand helps you bake a cake
but most of all, this hand will stay
when I am grown and gone away

this little hand can wave hello,
or put dirty smudges on your wall
it can touch your face or throw a kiss
or clasp your hand so i don't fall
this hand helps you bake a cake
but most of all, this hand will stay
when I am grown and gone away

this little hand can wave hello,
or put dirty smudges on your wall
it can touch your face or throw a kiss
or clasp your hand so i don't fall
this hand helps you bake a cake
but most of all, this hand will stay
when I am grown and gone away
